Joshua and Jericho

BASED ON JOSHUA 6:1-21

WEEKLY VERSE: Love God and always do what He says. *Deuteronomy 30:20*

LIFE POINT: God helps people know what to do.

God promised to give Jericho, a city with strong walls, to the Israelites. God told Joshua what the people should do.

Joshua told the people about God's plan. The people listened and obeyed. God said the people should walk around Jericho once a day for six days. Soldiers went first. Seven priests with trumpets followed. Priests carried the ark of the covenant next. (The ark of the covenant was a chest with the Ten Commandments. This reminded the Israelites that God was with them.) Guards followed the ark around the city.

Joshua said, "Do not speak until I say, 'Shout!'" The people marched around the city once, then camped outside the wall. For six days, they marched around the city like God said.

On the seventh day, they marched around the city seven times. The priests blew the trumpets. Joshua said, "Shout!"

The people shouted. The trumpets blew. The wall fell down! The people captured the city. They gave all the silver, gold, bronze, and iron in the city to the priests for God's work.

THE BIBLE MEETS LIFE

Parents, today's Bible story taught that God helps people know what to do. God gave Joshua specific instructions for the people to capture the city of Jericho, and they were successful.
