

- **TELL THE BIBLE STORY: ABRAM SOLVED A QUARREL**

Abram traveled from Egypt with his wife and his nephew Lot. Abram was a rich man. He had many animals, lots of silver, and much gold.

Abram traveled to the place he lived before moving to Egypt. He worshiped God at the same place he had worshiped before.

Abram's nephew, Lot, was also rich. He had many animals and tents.

Together, they had so many animals there was not enough grass for all of them. The men who took care of Lot's animals began to argue with the men who took care of Abram's animals.

Abram said to Lot, "Let's not quarrel or have quarreling between our workers. Look at the whole land. Choose the part you want. I will take the other part."

Lot saw the land on one side had plenty of water and green plants. Lot chose the best land and moved there.

God spoke to Abram, "Look all around you. I will give you and your children and their children all the land you see. I promise you will have a large family. Walk around the land because I will give it to you."

Abram obeyed God. He moved to Hebron and built an altar to God.
